Consult Health Persistence Hand Sanitizer

Drug Facts

Active ingredient

Benzalkonium Chloride 0.13%

Purpose

Antimicrobial and First aid antiseptic

Uses:

- For hand sanitizing to decrease bacteria on the skin. Recommended for repeated use.
- For wound sanitizing to help prevent bacterial contamination in cuts, scrapes, burns, lacerations and skin infections.

Warnings:

For external use only.

When using this product

avoid contact with eyes. In case of eye contact, flush eyes with water.

Discontinue use if

irritation or redness develops. If condition persists for more than 72 hours consult a doctor.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions:

- Spray onto hands as needed. Pump onto hands as needed. Rub briskly together until dry. No rinsing required.
- Pump onto wounds 3 times a day after cleaning. Allow foam to dissipate. Wipe excess with sterile gauze. May be bandaged once dry.

Inactive ingredients

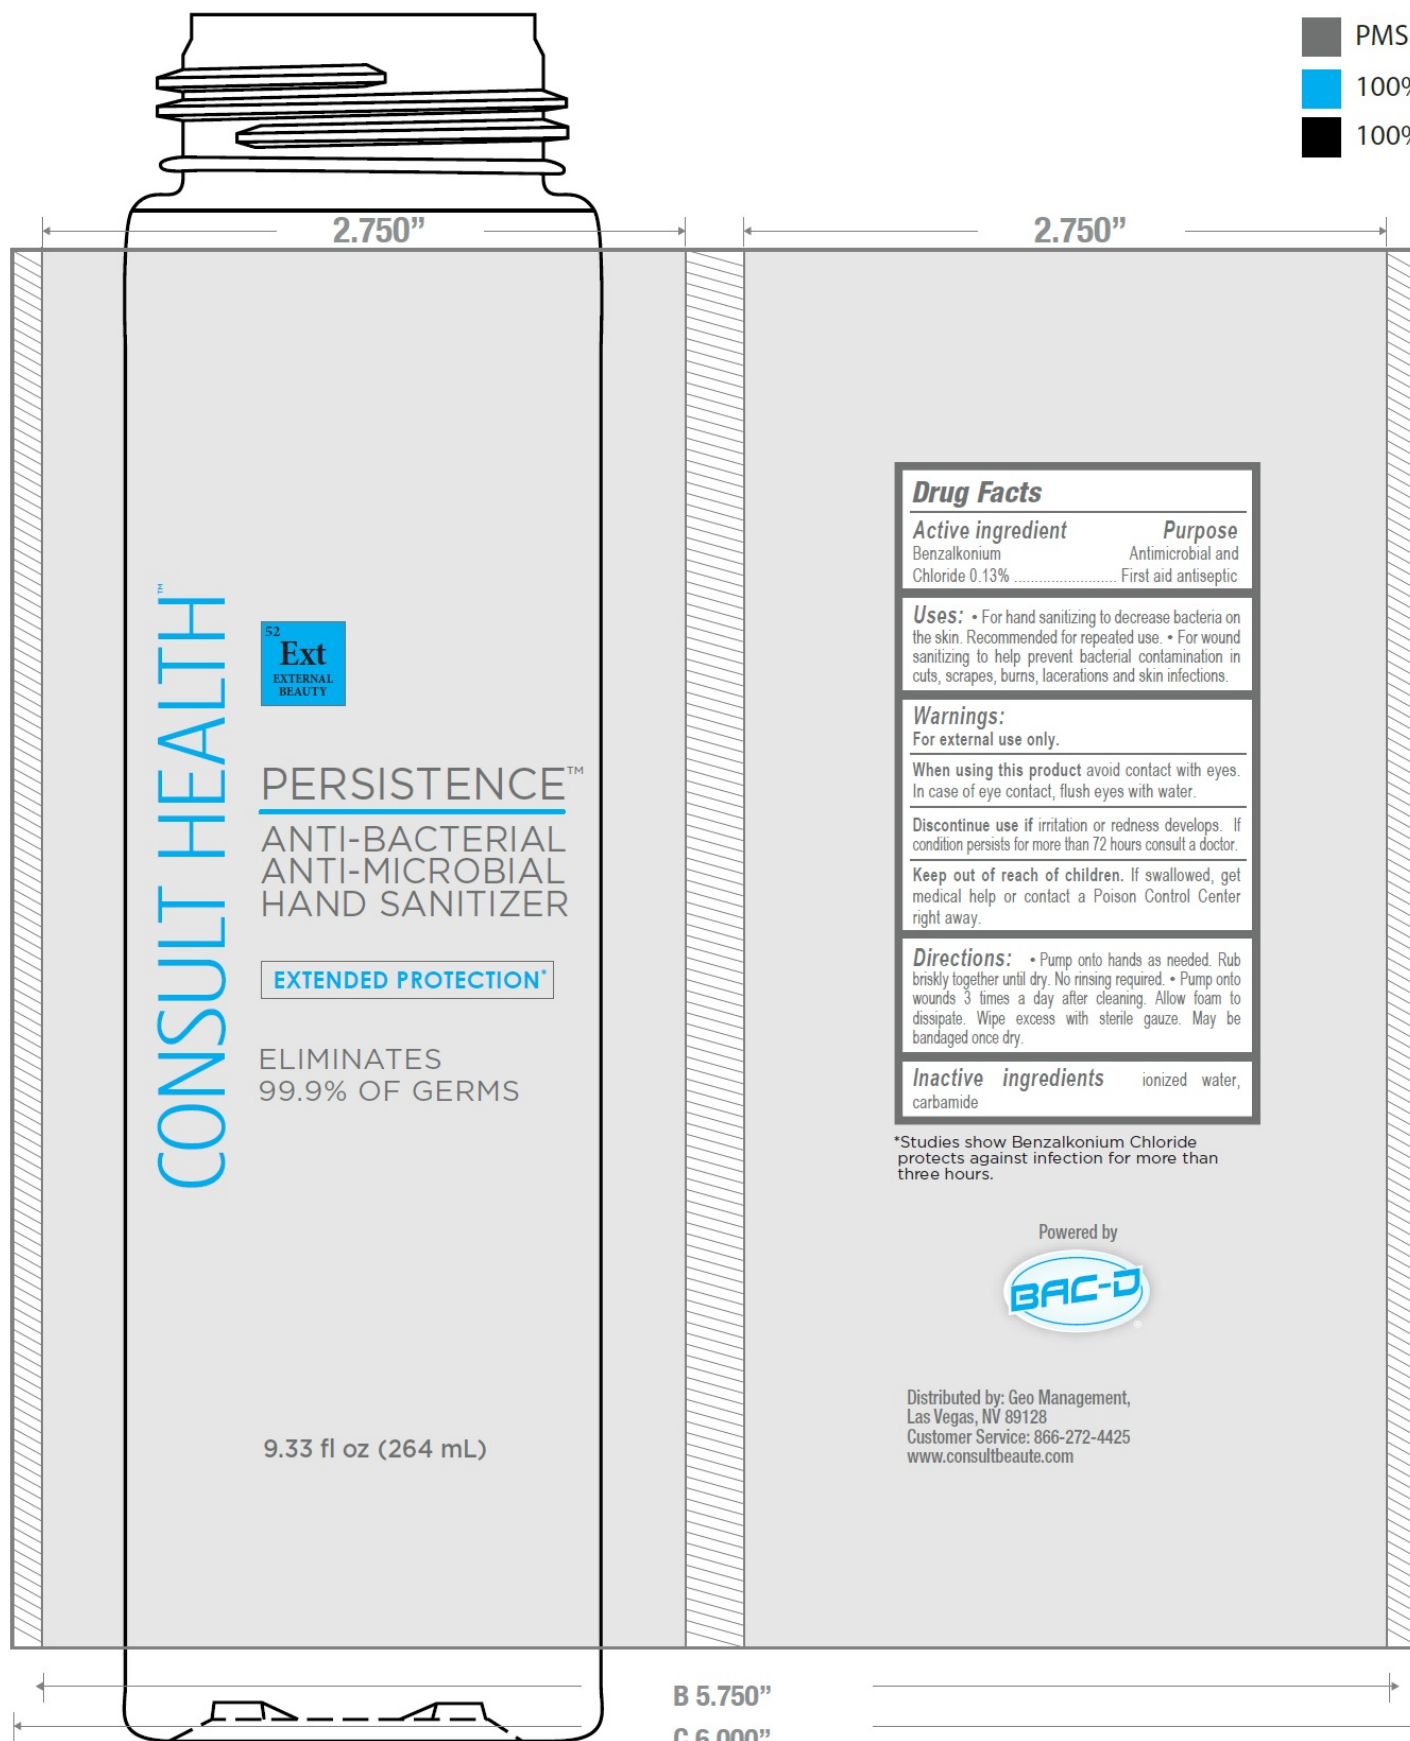

ionized water, carbamide
