**Liquid Copper Hoof Bath Solution**

Dispose of contents/container to an approved waste disposal plant.

Very toxic to aquatic life with long lasting effects. Avoid release to the environment. Collect spillage.

DANGER / Keep Out of Reach of Children

**First Aid:**

IF SWALLOWED: Call a POISON CENTER or doctor/ physician if you feel unwell.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

IF ON SKIN (or hair): Remove/ Take off immediately all contaminated clothing. Rinse skin with water/ shower.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/ physician.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/ physician.

Do not breathe fume/ gas/ mist/ vapors/ spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/ protective clothing/ eye protection/ face protection. Wash contaminated clothing before reuse.

Store locked up. Store in a corrosive resistant container. Keep only in original container. Absorb spillage to prevent material-damage.

Store above 32 °F (0 °C). If frozen, thaw and mix back into solution. Product quality will not be affected.

**DIRECTIONS:**

Mix 3 gallons of HB Copper Supreme with 50 gallons of clean water to create final solution for use in footbaths for cattle.

For best results:

Cattle hooves need to be clean prior to walking through the footbath solution to allow complete and effective contact with the hoof.

Solution should be changed after 400-600 cow passes.

Use in conjunction with a total hoof care program including proper hoof trimming, attention to cow comfort and sanitation, correct nutrition and proper footbath management.

Footbath treatments are recommended every other day at a minimum as a good management practice for maintaining healthy hooves.

Active Ingredient – copper.....3.7%

Inactive Ingredients – sulfuric and other organic acids, surfactant, dye, water.....96.3%
