SUNDAY RILEY U.F.O. ACNE TREATMENT FACE OIL

Drug Facts

Active Ingredient

Salicylic Acid 1.5%

Purpose

Acne treatment

Uses

- For the management of acne
- Penetrates pores to control blackheads
- Helps prevent new acne blemishes and blackheads from forming

Warnings

For external use only.

When using this product

- Using other topical acne drugs at the same time or right after use of this product may increase dryness or irritation of the skin.
- If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying medication.
- Cover the entire affected area with a thin layer 1 to 3 times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor.

- If bothersome dryness occurs, reduce application to once a day or every other day.

for oily to acne-prone skin

ultra-clarifying

For the treatment and prevention of **acne and blackheads**, this **1.5% Salicylic Acid** medicated, dry oil clears congested pores for smoother, blemish-free skin

With 1.5% Salicylic Acid, this fast-acting, medicated treatment oil clears acne and blackhead-causing buildup and debris from congested pores for smoother, blemish-free skin.

Tea tree oil and black cumin seed oil support clear skin, while hexylresorcinol and licorice naturally brighten the appearance of old acne discolorations, for a visibly more even-toned complexion. Non-greasy milk thistle and cucumber seed oil prevent Salicylic Acid from over-drying the skin, while smoothing the appearance of fine lines and wrinkles. Chamomile and neroli soothe stressed, blemish-prone skin.

DIRECTIONS: Can be applied day or night. After cleansing skin, massage in U.F.O. to skin, neck, and chest, as needed. U.F.O. is a dry oil and will absorb quickly. Can also be applied to congested areas on the body.

PRO TIPS: If you are new to using Salicylic Acid, start by using U.F.O. 3x/week and work your way up to daily use. You can also mix 1-2 drops of U.F.O. into your foundation, before application, giving acne-fighting power to your makeup routine.
