

LEUCILLIN- hypochlorous acid liquid

LYVLEE LIMITED

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click [here](#).

LEUcillin®

Antiseptic skincare topical spray that cleanses minor cuts and abrasions.

Leucillin is steroid- free, antibiotic-free and non-toxic. Being skin pH neutral it will not harm healthy tissue or sting when applied

Indications

Antiseptic skin care solution for cleansing and sanitising minor cuts, abrasions and scratches. Safe around eyes, nose, mouth and sensitive areas. Maintains healthy itch free skin.

Directions for use

Apply Leucillin liberally directly to the affected area, using it to flush and clean. If dressing is required, apply Leucillin liberally to each dressing. Repeat up to 3 times per day. No rinsing is required.

Precautions

For external use only. Discontinue use and consult your veterinarian if irritation occurs. For animal use only. Keep out of reach of children. Consult your veterinarian for systemic conditions. Do not inject.

Hypochlorous Technology, Ingredients

Hypochlorous acid

Ingredients:

Water (H₂O), Sodium Salt (HOCl), Sodium Chloride (NaCl)

Storage

Store at room temperature. Do not freeze. Do not leave in direct sunlight. Do not decant.

Antiseptic Skincare

FAST ACTING FORMULA

powerful non-toxic, non-irritant antiseptic for all mammals, birds and reptiles

Soothing & Calming

100% safe to ears, eyes, and sensitive skin

Skin pH neutral, will not sting or irritate

Proven Pathogen Control

Leucillin by Lyvlee Ltd, Unit 12 J, K & L Hybris Business Park, Crossways, Dorset, DT2 8BF

www.leucillin.com +44 345 548 9800

info@leucillin.co.uk

British Technology

Made in the United Kingdom

Due to the speed at which surviving bacterial cells reproduce, a slower kill rate is not satisfactory. Leucillin provides a powerful solution to combat all types of infection acting on contact.

Competition Safe

Leucillin "tests free" for all competition animals. For equines, Leucillin contains no banned substances under the FEI banned chemicals for competition list.

Disposal Leucillin has no special disposal requirements and will not harm the environment. Leucillin is 100% biodegradable.

This is not a veterinary medicine and therefore not subject to authorisation by the Irish Health Products Regulatory Authority or the UK Veterinary Medicines Directorate
