Thinksport Thinksun™
Sunscreen SPF 30

Drug Facts

Active Ingredient

Zinc Oxide 20% (non-nano)

Purpose

Sunscreen (2fl oz)

Use

Helps prevent sunburns

If used as directed with other sun protection measures (**see Directions**) decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

- For external use only.
- Do not use on damaged or broken skin.
- Stop use and ask a doctor if rash occurs.
- When using this product keep out of eyes. Rinse with water to remove.
- Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away. Protect this product from excessive heat and direct sun.

Directions

- apply liberally 15 minutes before sun exposure
- reapply
 - after 80 minutes of swimming or sweating
 - immediately after towel drying
 - at least every two hours

Sun Protection Measures

Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with Broad Spectrum SPF value of 15 or higher and other sun protection measures including:

- limit time in the sun, especially from 10am - 2pm
- wear long-sleeved shirts, pants, hats and sunglasses

For children under 6 months: Ask a doctor

Everyday Face was created because of the need for a safe solution without the harmful chemicals found in a majority of products/formulas on the market. Everyday Face is enriched with Vitamin C & E and includes a small amount of tint to reduce any whitening effect from minerals. The formula dries very quickly, and provides an excellent base layer before makeup application.

- No PABA, parabens, phthalates, oxybenzone, avobenzene, dioxane, or animal products
- Our sunscreens were the 1st to pass Whole Foods Premium Care requirements and top rated in EWG's database Skin Deep since 2010. No animal testing.
- Studies show everyday use of sunscreen reduces skin aging by 24%
