

CLEAR PORE SERUM- salicylic acid gel
Halogent, LLC (DBA Exposed Skin Care)

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

PURPOSE

ACNE TREATMENT

ACTIVE INGREDIENT

SALICYLIC ACID (1.0%)

USE

FOR THE TREATMENT OF ACNE

WARNINGS FOR EXTERNAL USE ONLY

Ask a doctor or pharmacist before use if you are using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor

When using this product avoid contact with eyes. If contact occurs, flush thoroughly with water.

Directions

Gently apply a small amount of serum to affected area using your bare hands. Avoid contact with eyes.

- Cleanse the skin thoroughly before applying medication
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive Ingredients

Water, hamamelis virginiana (witch hazel) distillate, glycerin, propylene glycol, peg 120 methyl glucose dioleate, polyquaternium-37, hydrogenated polydecene, tricedeth-6, spiraea ulmaria (meadowsweet) extract, glycyrrhiza glabra (licorice) root extract, ocimum basilicum extract , camellia sinensis (green tea) leaf extract, panthenol, phenoxyethanol, fragrance.

KEEP OUT OF REACH OF CHILDREN, IF SWALLOWED, GET MEDICAL HELP OR CONTACT A POISON CONTROL CENTER RIGHT AWAY.

SCIENCE + NATURE

Exposed acne treatment products were developed through the cooperation of dermatologists, naturopaths and chemists.

Our holistic approach combines the power of scientific actives with the healing of natural extracts to clear and renew your skin while protecting it from future breakouts.

Directions

Cleanse the skin thoroughly before applying medication. Cover the entire affected area with a thin layer one to two times daily.
