

**HEMORRHOIDAL- mineral, petrolatum, phenylephrine hydrochloride ointment  
CVS PHARMACY, INC**

-----

***Drug Facts***

***Active ingredients***

Mineral oil 14%

Petrolatum 74.9%

Phenylephrine HCl 0.25%

***Purpose***

Protectant

Vasoconstrictor

***Uses***

- helps relieve the local itching and discomfort associated with hemorrhoids
- temporarily shrinks hemorrhoid tissue and relieves burning
- temporarily provides a coating for relief of anorectal discomforts
- temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful

***Warnings***

**For external use only**

**Ask a doctor before use if you have**

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- difficulty in urination due to enlargement of the prostate gland

**Ask a doctor or pharmacist**

before use if you are presently taking a prescription drug for high blood pressure or depression.

**When using this product**

do not exceed the recommended daily dosage unless directed by a doctor

**Stop use and ask a doctor if**

- bleeding occurs

- condition worsens or does not improve within 7 days
- introduction of applicator into the rectum causes additional pain

**If pregnant or breast-feeding,**

ask a health professional before use.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.(1-800-222-1222)

***Directions***

Adults:

- when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe. Gently dry by patting or blotting with a tissue or a soft cloth before applying ointment.
- apply to the affected area up to 4 times daily, especially at night, in the morning or after each bowel movement
- intrarectal use: remove cover from applicator, attach applicator to tube, lubricate applicator well and gently insert applicator into the rectum, thoroughly cleanse applicator after each use and replace cover
- also apply ointment to external area
- regular use provides continual therapy for relief of symptoms
- Children under 12 years of age: ask a doctor.

***Other information***

store at room temperature 68° - 77° F (20° - 25° C)

***Inactive ingredients***

beeswax, benzoic acid, cetyl alcohol, glycerol, methylparaben, polyoxyethylene lauryl ether, propylparaben, stearyl alcohol
