BROAD SPECTRUM SPF 30  
PA+++

Lightweight, anti-aging serum delivers lasting moisture, improves skin texture and protects from premature photoaging

**SPF 30 CITY SUNSCREEN SERUM** is the ideal morning multitasker in a lightweight, milky serum. Enriched with Vitamins E & B5 to defend against aging free radical damage, Hydrovotin 24 for long term moisture and Uniprotect PT-3 to help repair existing signs of age. Built for year round use, it's a great primer for the rest of your daily skincare regimen.

**SCOOP ON THE GOOP**  
It was jokingly brought to my attention that my favorite phrase is "every single day". Yet we didn't have a product that I could pass along and say, "this, if nothing else, is the one to use every single day." Craving a multitasker that would do triple duty as my morning moisturizer, anti-ager & UV protection all in one, City Sunscreen Serum was born.
