Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active ingredient

Salicylic acid 0.5%

Purpose

Acne treatment

Uses

For the treatment of acne.

Warnings

For external use only.

When using this product : skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.

Stop use and ask doctor if skin irritation occurs.

Keep out of reach of children. If product is swallowed get medical help or contact a poison control center right away.

Direction

After cleansing, apply one to two pumps on dry skin. Cover your entire face, not just the visible acne, and avoid the eye area. Let it dry before applying other products. Because irritation or excessive drying of the skin may occur, start with one application every other day, and work up to using daily. Follow with SPF when using in the morning. Reduce application if irritation occurs.
