Pure-Aid Diaper Rash Cream

Active ingredient

Zinc Oxide 10%

Purpose

Skin Protectant

Uses

- helps treat and prevent diaper rash
- protects chafed skin due to diaper rash and helps protect skin from wetness
- helps prevent and temporarily protect chafed, chapped, cracked or windburned skin lips

Warnings

For external use only

Do not use

over deep or puncture wounds, infections or lacerations

When using this product

avoid contact with the eyes

Stop use and ask a doctor

if condition worsens or does not improve within 7 days.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- change wet and soiled diapers promptly, cleanse the diaper area, and allow to dry
- apply ointment liberally as often as necessary, with each diaper change, especially at bedtime or anytime when exposure to wet diapers may be prolonged

Other information

- store at room temperature
- Lot No and Exp Date: see box or see crimp of tube

Inactive ingredients

aloe barbadensis leaf juice, mineral oil, petrolatum
