SHAMPOO

Mrs. Moon's recipe CLERIAN SHAMPOO is a product which consists mainly of Eastern and Western herbal medicine. Cultivated root of wild ginseng, salvia, ginger and saw palmetto extract can provide nourishment for the scalp. Furthermore, laminaria and herb extract can protect the scalp from any external stimulus. From 1992, Mr. Moon has been developing products which can protect the scalp and hair, and those materials have already been registered for multiple patents. Also, Ecomine with Mrs. Moon's has various products and its technical skills have achieved significant recognition in global market.
