### **Ultra Clear Treatment Lotion with salicylic and mandelic acid**

#### **Active ingredients Purpose**

Salicylic Acid 2% w/w Acne Treatment

#### **Uses**

For treatment of acne  
Helps clear acne blemishes and acne pimples

#### **Stop use and ask a doctor:**

If skin irritation becomes severe.

#### **When using this product**

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water to remove.

#### **Warnings**

For external use only.

When using this product

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water to remove.

#### **Directions**

- Clean the skin thoroughly before applying this product. Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If dryness or peeling occurs, reduce application to once a day or every other day.
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.
