Galderma Laboratories, L.P.**

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredient

Salicylic Acid 2%

Purpose

Acne Treatment

Use

For the management of acne

Warnings

For external use only

When using this product

- skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne treatment at a time.
- avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation become severe

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Apply to dampened skin and gently massage, avoiding the eye area. Rinse thoroughly and pat dry. Designed for twice daily use. Can be used less frequently if dryness occurs.
