

HEMAX- ascorbic acid, dl-alpha tocopheryl acetate, l-5-methyltetrahydrofolate calcium, cyanocobalamin, biotin, carbonyl iron, cupric sulfate tablet
Pronova Corporation

HEMAX™

Supplement Facts		
Serving Size: 1 Tablet / Servings		
Per Container: 90		
	Amount Per Serving	% Daily Value
Vitamin C (as Ascorbic Acid)	500 mg	556%
Vitamin E (as dl-Alpha Tocopheryl Acetate)	13.5 mg	90%
Folate (as L-5-methyltetrahydrofolate Calcium)	1,700 mcg DFE (1,000 mcg Folic Acid)	425%
Vitamin B12 (as Cyanocobalamin)	60 mcg	2,500%
Biotin	150 mcg	500%
Iron (as Carbonyl Iron)	150 mg	833%
Copper (as Cupric Sulfate)	3 mg	333%
*Daily Value not established		

OTHER INGREDIENTS: Microcrystalline Cellulose, Citric Acid, Stearic Acid, Dicalcium Phosphate, Croscarmellose Sodium, Polyvinylpyrrolidone, Magnesium Stearate, Silicon Dioxide, Starch, Glucose Syrup, Crospovidone, Polyethylene Glycol, Talc, Sodium Lauryl Sulfate, FD&C Yellow #6 Lake, Sucrose, Titanium Dioxide, Soy Polysaccharide, FD&C Red #40 Lake, Artificial French Vanilla Flavor, Propylene Glycol and Tricalcium Phosphate.

Contains: Soy, a bioengineered food ingredient.

HEMAX™ is a multivitamin/multimineral dietary supplement indicated for use in improving the nutritional status of patients with iron deficiency.[†]

[†]This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6 years of age. **KEEP THIS PRODUCT OUT OF THE REACH OF CHILDREN.** In case of accidental overdose, call a doctor or poison control center immediately.

DO NOT USE HEMAX™ for individuals with a known hypersensitivity to any of the

ingredients. Hemochromatosis and hemosiderosis are contraindications to iron therapy. This product is not for use in children under 12 years of age.

WARNING: Consuming this product can expose you to chemicals including, lead and mercury, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

CAUTION: This product contains 1.7mg DFE (1mg) of folic acid, the maximum safe Reference Daily Intake (RDI) amount for this nutrient. Folic Acid alone should not be used for individuals with pernicious anemia and other megaloblastic anemias where Vitamin B12 is deficient. Folic acid in amounts above 0.1 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurological manifestations remain progressive. Allergic sensitization has been reported following both oral and parenteral administration of folic acid. Pregnant women, nursing mothers or women prior to conception who take **HEMAX™** should take this supplement only after their medical condition and other drugs, herbs and/or supplements consumption are considered. Use for elderly individuals should be cautious due to the greater frequency of decreased hepatic, renal, or cardiac function.

ADVERSE REACTIONS: Allergic sensitization has been reported following both oral and parenteral administration of folic acid.

DIRECTIONS FOR USE: One tablet daily with or without food or as recommended by your healthcare provider.

OTHER INFORMATION: **HEMAX™** is supplied in child-resistant bottles of 90, 30 and 4 tablets. Store at room temperature, USP.

To report a serious adverse event or to obtain product information, contact (866) 703-3508.
