-----

**Drug Facts**

Active ingredient	Purpose
Menthol 5% .....	Topical analgesic

Uses for the temporary relief of minor aches and pains associated with:

- simple backache
- muscle strains
- muscle sprains
- cramps
- bursitis
- arthritis
- bruises

**Warnings**

For external use only

**When using this product**

- use only as directed
- do not apply to wounds, damaged, or sensitive skin
- do not bandage tightly or use with a heating pad
- avoid contact with eyes and mucous membranes

**Stop use and ask doctor if**

- condition worsens
- symptoms last more than 7 days or clear up and occur again within a few days
- redness is present
- skin irritation develops

If pregnant or breast-feeding, ask a health professional before use

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away

**Directions**

adults and children 12 years of age and older

- partially peel back protective film and apply exposed patch to site of pain
- carefully remove remaining film while pressing patch to skin for secure adhesion
- repeat as necessary, but not more than 3 to 4 times daily

children under 12 years of age consult a doctor
