7 SELECT Cold Sore Symptom Treatment

Drug Facts

Active Ingredient

Benzalkonium chloride

(an organic chloride salt) 0.13%

Purpose

Cold Sore/Fever Blister Treatment

Uses: Treats cold sores/fever blisters. For the pain, tingling, itching, & burning associated with cold sores. May be used as an antiseptic to help cleanse or dry sores & fever blisters. May be used inside the mouth on sores.

Warnings: Do not swallow. Do not use if allergic to Asteracea (daisy) family of flowers. Do not use for yeast infections (may be used in conjunction with yeast medication). Use only as directed. For external use only. Brief tingling may occur. If conditions worsens or does not improve, contact a health care professional. Avoid contact with eyes. WE SUGGEST THAT YOU NOT USE ALCOHOL DURING AN OUTBREAK OR WHEN USING THIS PRODUCT.

Keep this and all drugs out of reach of children. In case of accidental ingestion other than intended use, seek professional assistance or call a poison control center.

Directions: (adults and children 2 years of age or older) Intended as a 1-day cold sore symptom treatment, apply to clean, dry, affected area 3-4 times throughout the day by dabbing and pressing solution into the area well. Allow to dry. Best when used at first sign of outbreak. Do not use cotton applicator. Due to the natural ingredients in this product, color may vary. Product dries clear. SHAKE WELL.

Other Ingredients: Purified Water, Viracea, (proprietary blend of Benzalkonium Chloride and Echinacea herb (organic), Hypromellose, Methyl Paraben, Potassium Sorbate, Propyl Paraben.

Other Information: May be stored in refrigerator for longer shelf life. Do not freeze. Do not overheat.
