Active Ingredient

Purpose

Salicylic Acid 2.0% Acne Medication

Use

for treatment of acne

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Developed by Swedish plastic surgeons and skin care specialists

Cicamed ASD 3-in-1

salicylic acid 2% acne medication

Acne Treatment

- Helps deemphasize appearance of skin discoloration and scars
- Triple-active formula for treatment of acne

#1 choice of plastic surgeons and dermatologists in Sweden

Made in Sweden

Net Wt 0.5 oz. (15g)

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Warnings

For external use only

When using this product

skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritations occurs, only use one topical acne medication at a time.

Inactive Ingredients
