Davis Oatmeal & Aloe Shampoo

Davis Oatmeal & Aloe Shampoo with 2% Colloidal Oatmeal is a hypoallergenic formula which benefits sensitive, dry or irritated skin. These highly pulverized oatmeal granules adhere to the surface of skin, anchoring moisturizers and making the skin softer and more elastic. Regarded for its superior moisturizing and anti-itch properties, Colloidal Oatmeal aids in the relieving conditions associated with allergies and seborrhea dermatitis. The addition of Aloe Vera helps soothe redness and reduce inflammation. Because Davis Oatmeal & Aloe Shampoo is soap-free, frequent use will not reduce the effectiveness of spot-on and spray-on insecticide products.
