Drug Facts

ethyl alcohol

The convenient Sense Fresh Advanced Instant Hand Sanitizer with Aloe is an antimicrobial liquid that contains 70 percent ethyl alcohol to help reduce the number of germs on hands, and three moisturizers to help keep skin hydrated. No rinsing with water or drying with towels is needed. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands within 30 seconds. The hand sanitizer meets U.S. Food and Drug Administration (FDA) healthcare personnel hand-washing requirements. It's perfect for on-the-go uses when traveling outside of the home, and fits neatly in purses, backpacks or briefcases.

KEEP OUT OF REACH OF THE CHILDREN

Just spray enough product in your palm to cover hands and rub hands together briskly until dry.

Children under 6 years of age should be supervised when using Sense Fresh.
