

CARRY ON HAND SANITIZER- isopropyl alcohol liquid
Encore Industrial Products, LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Hand Sanitizer

This is a hand sanitizer manufactured according to the Temporary Policy for Preparation of Certain Alcohol-Based Hand Sanitizer Products During the Public Health Emergency (CoViD-19); Guidance for Industry.

The hand sanitizer is manufactured using only the following United States Pharmacopoeia (USP) grade ingredients in the preparation of the product (percentage in final product formulation) consistent with World Health Organization (WHO) recommendations:

- a. Isopropyl Alcohol (75%, v/v) in an aqueous solution denatured according to Alcohol and Tobacco Tax and Trade Bureau regulations in 27 CFR part 20.
- b. Glycerol (1.45% v/v).
- c. Hydrogen peroxide (0.125% v/v).
- d. Sterile distilled water or boiled cold water.

The firm does not add other active or inactive ingredients. Different or additional ingredients may impact the quality and potency of the product.

according to Alcohol and Tobacco Tax and Trade
in 27 CFR part 20. Glycerol (1.45% v/v). Hydrogen
v/v). Sterile distilled water or boiled cold water.
other active or inactive ingredients

Drug Facts

Active ingredient(s)

isopropyl alcohol 75% v/v

Use(s)

Hand sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

Warnings

For external use only. Flammable. Keep away from heat or flame

Do not use

- in children less than 2 months of age
- on open skin wounds

When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, nose or mouth, flush with water.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center.

Directions

- Place enough product on hands to cover all surfaces. Rub hands together until dry.
- Supervise children under 6 years of age when using this product to avoid swallowing.

Other information

- Store between 15-30C (59-86F)
- Avoid freezing and excessive heat above 40C (104F)

Inactive ingredients glycerin, hydrogen peroxide, purified water USP

Active Ingredient(s)

The hand sanitizer is manufactured using only United States Pharmacopoeia (USP) grade ingredients. The product (percentage in final product formulation) is:

World Health Organization (WHO) recommended

Isopropyl Alcohol (75%, v/v) in an aqueous solution according to Alcohol and Tobacco Tax and Trade Bureau in 27 CFR part 20. Glycerol (1.45% v/v). Hydrogen Peroxide (0.5% v/v). Sterile distilled water or boiled cold water. No other active or inactive ingredients.

Drug Facts

Active ingredient(s)

Isopropyl alcohol 75% v/v
