**OUR STORY:** Oral-B was founded in 1949 by a periodontist who teamed up with his wife and daughter and, in their living room, designed and created a safer toothbrush. Since then, unleashing more smiles has been at the heart of Oral-B's innovation. The brand trusted by dentists and consumers worldwide now brings you the Oral-B Special Care Rinse Collection, crafted to meet your unique oral care needs.

**No Added:**  
Alcohol • Artificial Dyes • Parabens • Gluten • Sodium Lauryl Sulfate (SLS)

**Drug Facts**

<b>Active ingredient</b>	<b>Purpose</b>
Hydrogen Peroxide 1.5%	oral debridement/bleaching

**Uses**

- For temporary use in cleaning minor mouth or minor gum inflammation resulting from dental procedures, dentures, or orthodontic appliances, accidental injury, or other irritation of the mouth and gums.
- Use in the removal of plaque, stains, or other irritants associated with occasional sore throats.
- For temporary use to clean rubber dams.

**Warnings**

- Do not use this product for more than 7 days unless directed by a dentist or doctor.
- If your mouth symptoms do not improve in 7 days, if irritation, pain, or redness persists or worsens, or if swelling, rash or fever develops, see your dentist or doctor promptly. Keep out of reach of children. If more than used for staining, in substantially unimproved, get medical help or contact a Poison Control Center right away.
