

FOREST SAP PATCH - topical starch poultice
E-House Korea Holdings International

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active Ingredient:

Topical Starch

When using this product:

- Do not use other than directed
- Do not stretch the adhesive portion
- Do not remove the patch's contents
- Discard patch if ripped

Do Not Use:

- on wounds or damaged skin
- if allergic to any of this product's ingredients

Stop Use and Consult Medical Professional

- if allergic reaction or irritation occurs
- if pregnant, nursing or under medical treatment

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center immediately

Avoid storing product in direct sunlight. Keep it in a dry and cool place.

For external use only

How To Use:

Apply to arches of the feet, center of the hands, toes and fingers since many of the main bodily organs connect at these locations. The patch may be used at any time but is usually most convenient just prior to bed. For localized treatment, place the patch on any aching, sprained or sore area.

Inactive Ingredients:

Pearl Stone, Wood Vinegar, Highly Purified Silica, Polyolic Alcohol, Chitosan, Mugwort Extract, Tourmaline

Directions:

Adults and children over 4 years

Step 1: Clean and dry area for the patch to be attached

Step 2: Remove the protective cover sheet and gently apply

Step 3: Leave it on at least 4 hours before removal

Children under 4 years, consult your medical professional

Nature's Kin FOREST SAP Patch
100% Natural Cleansing Process

Tested, with natural ingredients safe for human use. Our forest patch has an effect of natural forest bath and promotes the circulation of the blood by generating negative ion, which ultimately makes you feel refreshed and light. It is medically acclaimed that the removal of unwanted toxins increases the body's ability to function more efficiently, increase vitality and enhances its overall health
