Uses:*

According to homeopathic indications these ingredients provide temporary relief from symptoms such as: • Sensitivity to touch in ear • Pain and discomfort • Water/Congestion in ear • Swimmer's ear irritation; after serious causes have been ruled out by a physician.

*These statements are based upon traditional homeopathic practice. They have not been reviewed by the Food and Drug Administration.

Warnings:

A PHYSICIAN SHOULD ALWAYS BE CONSULTED TO RULE OUT SERIOUS CAUSES. For External Use Only.

- This product is intended to complement, not replace, standard medical treatment.
- Initial worsening of symptoms may occur.

Flammable: Keep away from fire or flame.

If pregnant or breast-feeding, ask a health professional before use.

Do not use: in the eyes. If contact occurs, rinse eyes thoroughly with water

Keep out of reach of children

- **Keep out of reach of children.**

In case of accidental ingestion, get medical help or contact a Poison Control Center right away.

Directions: • Suitable for adults and children ages 2 and over. Children under the age of 2: Consult a physician before use. • For use in ear only. • Apply 4-5 drops in each affected ear. • Warm contents to body temperature by holding bottle in your hands. • Tilt your head to the side and let solution drip into the ear. • Never put the tip into the ear canal. • Keep drops in your ear by tilting your head for 20 to 40 seconds. • Homeopathic remedies may not be effective for everyone. Individual results may vary.

Other information:

• Non-prescription drug products cannot treat infections. • Store at room temperature 15° to 30° C (59° to 86°F). • Keep bottle tightly closed. • Active ingredients are micro-diluted in accordance with the Homeopathic Pharmacopoeia of the United States and are therefore non-toxic with no known side effects or contraindications. • Swimmer's Ear Complete Relief™ Ear Drops are homeopathic dilutions, for details see www.thereliefproducts.com.

Inactive Ingredients:

Glycerin, Isopropyl alcohol 94%
