This proof is for color break as well as content. If job is not printed CMYK, we will match the spot colors indicated. Please read the proof thoroughly to ensure that all copy is correct. Sometimes during electronic transmission copy may re-align or drop off. Fonts may replace. Please check. Please double check color separations and that the proper colors and the amount of colors are listed. Double-check the size of your label (if the proof is a faxed copy the dimensions listed will be our responsibility). Once this proof is signed off, responsibility lies solely with the customer for the items listed above unless there is a subsequent error on the part of Overnight Labels, Inc.

Note: If the colors on your job need to match a previously printed label, a sample must be provided at time of order.

I have read the preceding statement and proofed the label according to the instructions.
