<h1 style="margin: 0;">ArroPure 70</h1> <div style="display: flex; justify-content: center; gap: 20px;">   </div> <h2 style="margin: 0;">WARNING</h2>		<p>WEIGHT : Blank BATCH NO : Blank</p> <p>SHIPPING DESCRIPTION UN/NA NUMBER: UN1987 ,Alcohols, n.o.s. ,3 ,II</p> <p>FIRE RESPONSE Use alcohol resistant foam, carbon dioxide, dry chemical, or water fog or spray when fighting fires involving this material. Firefighters should be equipped with self-contained breathing apparatus and full protective fire fighting gear. Dilution of burning liquid with water will affect extinguishment.</p> <p>SPILL RESPONSE Stop leak is without risk. Move containers from spill area. Use spark proof tools and explosion proof equipment. Approach release from upwind. Prevent entry into sewers, water courses, basements or confined areas. Wash spillages into an effluent treatment plant or proceed as follows. Contain and collect spillage within on-combustible absorbent material, e.g. sand, earth, vermiculite or diatomaceous earth and place in a container for disposal according local regulations (See Section 13). Dispose of via a licensed waste disposal contractor. Contaminated absorbent material may pose the same hazard as spilled product. Note see Section 1 for emergency contact information and Section 1 for waste disposal.</p> <p>STORAGE AND HANDLING Store cool and dry, under well-ventilated conditions. Keep away from heat, sparks and open flames. Store this material away from incompatible substances (see section 10). Do not store in open, unlabeled or mislabeled containers. Keep container closed when not in use. Empty container contains residual product which may exhibit hazards of product. Do not reuse empty container without commercial cleaning or reconditioning. Eliminate all possible ignitions sources. Containers must not be cut, welded, or exposed to ignition sources even if empty, as they may explode.</p>
<p>GHS CLASSIFICATIONS Specific Target Organ Toxicity--Single Exposure, Respiratory Irritation, Category 3 Flammable Liquids, Category 3</p> <p>HAZARD STATEMENTS H226 : Flammable liquid and vapour. H319 : Causes serious eye irritation. H336 : May cause drowsiness or dizziness.</p> <p>PRECAUTIONARY STATEMENTS P261 : Avoid breathing dust/fume/gas/mist/vapours/spray. P240 : Ground and bond container and receiving equipment. P210 : Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. P235 : Keep cool. P243 : Take action to prevent static discharges. P241 : Use explosion-proof [electrical/ventilating/lighting/...] equipment. P242 : Use non-sparking tools. P271 : Use only outdoors or in a well-ventilated area. P264: Wash hands thoroughly after handling. P280 : Wear protective gloves/protective clothing/eye protection/face protection. P305+P351+P338 : IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P304+P312 : IF INHALED: Call a POISON CENTER/doctor/...if you feel unwell. P303+P361+P353 : IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water [or shower]. P337+P313 : If eye irritation persists: Get medical advice/attention. P370+P378 : In case of fire: Use ... to extinguish. P340 : Remove person to fresh air and keep comfortable for breathing. P403+P233 : Store in a well-ventilated place. Keep container tightly closed. P405 : Store locked up. P501: Dispose of contents/container in accordance with local/regional/national/international regulations.</p>	<p>FIRST AID EYES: Flush eyes immediately with plenty of water for at least 15 minutes holding eyelids apart to ensure flushing of the entire surface. Contact a physician.</p> <p>SKIN: Remove contaminated clothing, wash contaminated area thoroughly with soap and water. If redness or irritation occurs, seek medical attention.</p> <p>INGESTION: Rinse mouth with water. DO NOT induce vomiting. Call a physician or poison control center immediately.</p> <p>INHALATION: Remove to fresh air, keep patient warm and at rest. If breathing is irregular or stopped, give artificial respiration. If unconscious place in the recovery position and obtain immediate medical attention. Give nothing by mouth.</p> <p>NOTES TO PHYSICIAN: Treat symptomatically. Symptoms of poisoning may occur even after several hours; therefore provide medical observation for at least 48 hours after the accident.</p>
