## EXPERT ROUTINE L'BEL

L'Bel presents Expert Routine, a skin care program with two steps that work together for enhanced results:

1. Cleanse the skin according to its needs.
2. Nourish according to the age.

## RENOVANCE JOUR

intensive, refining, fortifying and renewing daytime face cream SPF 15

After the age of 50, your skin reflects certain changes brought about by the passage of time: increased dullness and loss of density and luminosity

The alternative facial cosmetic treatment

Renovance Jour with Solar Protection Factor (SPF) 15, combines the innovations and scientific advances in cosmetics with the mineral supplements that mature skin needs. An effective synergy for a unique cosmetic treatment that deeply moisturizes the skin and helps fortify and renew the look of your face.

An effective cosmetic treatment that supports the actions of its ingredients:

- **Renovage Complex:** helps improve the skin's appearance of firmness, elasticity and tone that has been lost over time.
- **Vitaminale Boost:** complex, rich in vitamins and minerals, which give the skin a fortifying and energizing effect.
- **Hydra Chronological System:** innovative technology, patented in France, that gives skin progressive, long-lasting and focused hydration where it needs it most. Its formula also contains soy proteins that give the skin an immediate lift appearance.

**USES:** Helps prevent sunburn.

**WARNINGS: Skin Cancer / Skin Aging Alert:** Spending time in the sun increases your risk of skin cancer and early skin aging. This product has been shown only to help prevent sunburn, not skin cancer or early skin aging. **For external use only. Do not use** on damaged or broken skin. **When using this product** keep out of eyes.
