Protection Solaire à Base de Teint SPF 30 à Large Spectre

Non-Nano \* Zinc Oxide 20%

Net 27 mL e • 0.93 FL oz

**Directions \* Instructions (for EU)**

Apply sunscreen products before sun exposure. Apply generously. \* Appliquez la crème solaire avant l'exposition au soleil. Appliquez généreusement.

Reapply frequently to maintain protection, and especially after perspiring, swimming or toweling. \* Renouvelez l'application fréquemment pour maintenir la protection, en particulier après vous être baigné, essuyé ou avoir transpiré.

**Warnings and special instructions of use \* Avertissements et précautions particulières d'emploi (for EU)**

Avoid contact with eyes. If any adverse reaction occurs, stop using the product. Inform your doctor if you are taking products. \* Éviter le contact avec les yeux. En cas de réaction ou de problème, cesser l'utilisation du produit. Consulter votre médecin si la réaction persiste.

(See inside flap for more information \* Voir l'intérieur de la page pour plus d'informations)

**Sunburn warning \* Avertissement produit solaire (for EU)**

Do not stay too long in the sun, even with using a sunscreen product. Keep babies and young children out of direct sunlight. Over-exposure to the sun is a serious health threat. Reducing the quantity of sunscreen product applied will lower the level of protection significantly. \* Ne rester pas trop longtemps au soleil, même en utilisant un produit à base de crème solaire. Une exposition excessive au soleil, même chez l'enfant, est un véritable problème de santé. Réduire la quantité de produit solaire appliqué réduira considérablement le niveau de protection adéquat.
