-----

### **☐Active ingredient**

### **Purpose**

☐Salicylic acid 2%.....Acne medication

### **☐Uses**

for the treatment of acne☐

### **☐Warnings**

#### **For external use only**

☐**Flammable** ☐keep away from extreme heat or open flame

#### **When using this product**

- ☐avoid contact with the eyes. If product gets into the eye rinse thoroughly with water
- with other topical acne medications, at the same time or immediately following use of this product, may increase dryness or irritation of the skin. If this occurs, only one acne medication should be used unless directed by your doctor
- limit use to the face and neck☐

**Stop use and ask a doctor if** ☐skin or eye irritation develops

☐**Keep out of reach of children.** ☐If swallowed, get medical help or contact a Poison Control Center immediately

### **☐Directions**

- ☐cleanse the skin thoroughly before applying medication
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 or 3 applications daily if needed

or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day

### **☐Other information**

store in a cool dry place☐
