CLARIFYING DAILY CLEANSER with Polytrap[®] Technology

4 FL OZ (118 mL)

Drug Facts

Active Ingredient

2% Salicylic Acid

Purpose

Acne Treatment

Use

- For the management of acne

Warnings

For external use only

Ask a doctor or pharmacist before use if you are

Using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

When using this product

- Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- When using this product avoid contact with eyes. If this occurs, immediately flush with water.

Keep out of reach of children. In case of accidental ingestion, get medical help or contact Poison Control Center right away.

Directions

- Use morning and night.
- Apply a dime sized amount to damp skin and gently massage for 1 to 2 minutes.
- Rinse thoroughly with warm water.
- Pat dry.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- **If going outside use sunscreen**

Inactive ingredients

Water, Sodium C14-16 Olefin Sulfonate, Peg-8, Cocamidopropyl Betaine, Xanthan Gum, Lauryl

Methacrylate/Glycol Dimethacrylate Crosspolymer, DMDM Hydantoin, Disodium EDTA, Tocopheryl Acetate, Hamamelis Virginiana (Witch Hazel) Water, Butylene Glycol, Sodium Benzotriazolyl Butylphenol Sulfonate, Calendula Officinalis Flower Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Phenoxyethanol, Yellow 5, Red 40, Fragrance.

ACTIVE CLEARING LOTION with Microsponge® Technology

0.75 FL OZ (22 mL)

Drug Facts

Active Ingredient

Benzoyl Peroxide 2.5%

Purpose

Acne Treatment

Use

- for the management of acne

Warnings

For external use only

Do not use this medication if you

- Have very sensitive skin
- Are sensitive to benzoyl peroxide

When using this product

- Avoid unnecessary sun exposure and use a sunscreen after using this product.
- Avoid contact with lips, eyes, or mouth.
- If product gets into eyes rinse thoroughly with water.
- Skin irritation may occur, characterized by redness, burning, itching, peeling, or possible swelling. Irritation may be reduced by using the product less frequently or in lower concentration.
- Avoid contact with hair and dyed fabrics, which may be bleached by this product.

Stop use and ask a doctor if irritation becomes severe.

Keep out of reach of children. Do not swallow. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean skin thoroughly before applying this product.
- Apply a thin layer to affected area one to two times per day.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three time daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive ingredients

Water, Glycerin, Methyl Methacrylate/Glycol Dimethacrylate Crosspolymer, Cetyl Alcohol, Sorbitol, Glyceryl Dilaurate, Stearyl Alcohol, Magnesium Aluminum Silicate, Sodium Citrate, Silica, Sodium

Lauryl Sulfate, Citric Acid, Methylparaben, Xanthan Gum, Propylparaben.

SPOT TREATMENT with Microsponge® Technology

0.4 FL OZ (12 mL)

Drug Facts

Active Ingredient

Benzoyl Peroxide 5%

Purpose

Acne Treatment

Use

- for the management of acne

Warnings

For external use only

Do not use this medication if you

- Have very sensitive skin
- Are sensitive to benzoyl peroxide

When using this product

- Avoid unnecessary sun exposure and use a sunscreen after using this product.
- Avoid contact with lips, eyes, or mouth.
- If product gets into eyes rinse thoroughly with water.
- Skin irritation may occur, characterized by redness, burning, itching, peeling, or possible swelling. Irritation may be reduced by using the product less frequently or in lower concentration.
- Avoid contact with hair and dyed fabrics, which may be bleached by this product.

Stop use and ask a doctor if irritation becomes severe.

Keep out of reach of children. Do not swallow. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- If going outside apply sunscreen after using this product and consult a physician. Keep tightly closed and avoid storing at extreme temperatures (below 40°F and above 100°F).

Skin+Pharmacy Clarifying Daily Cleanser
 The fragrance- and oil-free Clarifying Daily Cleanser is formulated with Polytrap® technology, a proven sebum oil absorber that can absorb up to 4 times its weight in skin oil. Maximum strength salicylic acid unclogs pores and deep cleans, leaving skin feeling refreshed.

Key Benefits:

- absorbs excess oil
- unclogs pores

Skin+Pharmacy Active Clearing Lotion

The advanced Active Clearing Lotion is formulated with Microsponge® technology, which is specially designed to promote healthy, visibly clear skin. This sustained-release acne-fighting technology helps reduce irritation by continuously working, providing all-day efficacy as it gently soothes and moisturizes skin, without clogging pores.

Key Benefits:

- clinically proven to kill acne-causing bacteria
- clinically proven to effectively reduce inflammatory lesions

Skin+Pharmacy Spot Treatment

The advanced Spot Treatment is formulated with Microsponge® technology, which is specially designed to promote healthy, visibly clear skin. This sustained-release acne-fighting technology helps reduce irritation by continuously working, providing all-day efficacy.

Key Benefits:

- clinically proven to effectively reduce inflammatory lesions
- effectively kills acne-causing bacteria

Microsponge® and Polytrap® are registered trademarks of AMCOL International Corp.

Skin+Pharmacy Advanced Acne Therapy Kit is an innovative set of clinically tested skin care products that help reduce the appearance of acne. These products, exclusive to CVS/pharmacy, are less irritating to skin, yet powerful enough to treat breakouts, kill acne-causing bacteria, and unclog pores. This starter kit contains products that are specially formulated with Microsponge® technology (to promote healthy, visibly clear skin), or Polytrap® technology (to proven sebum oil absorber that can absorb up to 4 times its weight in skin oil). Use Skin+Pharmacy help improve your appearance toward a clear, acne-free complexion.

2 GENTLE FACIAL CLEANSING SPONGES INCLUDED

Use sponges morning and night with Skin+Pharmacy Clarifying Daily Cleanser to gently cleanse away makeup, dirt and excess oil.
Directions: Lather sponge with warm water and Skin+Pharmacy Clarifying Daily Cleanser. Gently cleanse face with slow, circular motions. Rinse face thoroughly with warm water and pat dry with a clean towel. Rinse sponge and let air dry. Sponges will expand when wet for maximum cleansing surface and return to original size once completely dry.

SKIN+PHARMACY
ADVANCED ACNE THERAPY KIT

For best results, use this kit with the entire line of Skin+Pharmacy Advanced Acne Therapy products.
