Davis Oatmeal Leave-On™ Conditioner

Davis Leave-On™ Conditioner with Colloidal Oatmeal provides immediate and long-lasting relief for dry, irritated skin. Redness and itching are reduced after just one application, and because conditioner is not rinsed out, it continues to soothe long after the coat is dry. Ideal for use immediately after or between shampoos, Davis Oatmeal Leave-on Conditioner also makes the coat more manageable, fuller and tangle-free while reducing static and repelling dust and dirt.
