

DOUXO S3 SEB- ophytrium shampoo **Ceva Sante Animale**

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

DOUXO S3™ SEB

OPHYTRIUM 0.5%

Soap, sulfate, paraben, phthalate, colorant and nanoparticle FREE

High tolerance formula. Hypoallergenic fragrance, adjusted pH. Formulated and tested by veterinary dermatology experts.

ACTIVE INGREDIENT: Ophytrium 0.5%

INACTIVE INGREDIENTS: Water, cocamidopropyl hydroxysultaine, glycerine, sodium methyl lauroyl isethionate, sodium methyl cocoyl taurate, disodium laureth sulfosuccinate, caprylamidopropyl betaine/capramidopropyl betaine, seboliance™ (punica granatum extract), pentavitin® (saccharide isomerate), panthenol, niacinamide (vit. PP), coco + vanilla hypoallergenic fragrance, glycol distearate, phenoxyethanol, guar gum, sodium benzoate, butylene glycol, acrylates/C10-30 alkyl acrylate, disodium EDTA, citric acid, sodium hydroxide.

PROPERTIES: Ophytrium is a purified, natural ingredient from the **S3 - Safe Skincare Selection**. Ophytrium has been carefully selected for its high tolerance and simultaneous threefold action on the skin's ecosystem:

- Helps support the skin's physical barrier for supple, hydrated skin
- Helps support the microbial flora for healthy skin
- Helps soothe irritated skin

INDICATIONS: For use on dogs or cats with oily or flaky skin. Helps control dandruff and odor by normalizing sebum production while hydrating the skin. Detangles the fur and leaves the coat soft and shiny.

DIRECTIONS: Use one pump for every 4 lbs. Double the dosage for long and/or thick fur. Wet with cool water from the neck down. First, gently massage shampoo onto the problem area. Repeat on entire body and leave on for 5-10 minutes before rinsing. Repeat if necessary. Use DOUXO® S3 SEB Mousse for a leave-on solution.

CAUTIONS: For external use on dogs or cats only. Avoid contact with eyes. If eye contact occurs, rinse thoroughly and consult your veterinarian. If skin irritation occurs or increases, discontinue use and consult with your veterinarian. Keep out of reach of children.

Store at room temperature.
