alcohol

glycerin, triethanolamine, carbomer, lemon oil, aloe vera gel, hinoki oil, green tea extract, edta, water
antiseptic

Take moderate amount on hands and rub well to dry

- Adults and children 2 years of age and older

Brush teeth thoroughly preferably after each meal or at least twice a day or as directed by a dentist or doctor.

- Children under 6 years

To minimize swallowing, use a pea-sized amount and supervise brushing until good habits are established.

- Children under 2 years

Consult a dentist or doctor

1) Be careful not to swallow it, and rinse your mouth thoroughly after use.

2) If any abnormalities such as gum or mouth damage are caused by using this toothpaste, stop using the product and consult a doctor or dentist.

3) For children under 6 years of age, use a small amount of pea toothpaste per serving and use it under the supervision of a guardian to avoid sucking or swallowing.

4) If a child under 6 years of age swallows a large amount, consult a doctor or dentist immediately.

5) Keep out of reach of children under 6 years old.

for external use only
