-----  
**Coralite Sleeve Patch, Knee 90121 ZDP**

Active ingredient	Purpose
Menthol 16.0%.....	Topical Analgesic Patch

**Uses**

- temporarily relieves minor aches and pains of muscles and joints associated with:
- simple backache
- arthritis
- strains
- bruises
- sprains

**Warnings**

For external use only

**Do not use**

- on wounds or damaged skin
- on a child under 12 years of age with arthritis-like-conditions

**Ask a doctor before use if you have**

- redness over the affected area

**When using this product**

- use only as directed
- avoid contact with the eyes, mucous membranes or rashes
- do not bandage tightly over sleeve or use with a heating pad
- discontinue use at least 1 hour before a bath or shower
- do not use immediately after a bath or shower

**Stop use and ask a doctor if**

- condition worsens or symptoms persist for more than 7 days
- symptoms clear up and occur again within a few days
- redness is present or irritation or rash develops

**If pregnant or breast-feeding,** ask a health professional before use

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away

**Directions**

- adults and children 12 years of age and older:
- open pouch and remove sleeve

- remove plastic insert and discard
- pull sleeve onto knee, large ankles or elbows until the colored (medicated) section of the sleeve is positioned directly over the affected area. Sleeve should feel snug, but not tight. **Note:** the drawings should help you understand how to do this.
- apply one sleeve to affected area no more than 3 times daily
- do not wear sleeve for more than 8 hours
- children under 12 years of age: consult a doctor

**Other information**

- store at room temperature 20-25°C (68-77°F)

Inactive ingredients

carbomer 940, ethanol, ethylparaben, glycerol, propylene glycol, purified water, trolamine
