2oz Spray Hand Sani -SL

This is a hand sanitizer manufactured according to the Temporary Policy for Preparation of Certain Alcohol-Based Hand Sanitizer Products During the Public Health Emergency (CoViD-19); Guidance for Industry.

The hand sanitizer is manufactured using only the following United States Pharmacopoeia (USP) grade ingredients in the preparation of the product (percentage in final product formulation) consistent with World Health Organization (WHO) recommendations:

- a. Alcohol (ethanol) (USP or Food Chemical Codex (FCC) grade) (70%, volume/volume (v/v)) in an aqueous solution denatured according to Alcohol and Tobacco Tax and Trade Bureau regulations in 27 CFR part 20.
- b. Isopropyl Alcohol (0.50% v/v).
- c. Aloe Vera (0.01% v/v).
- d. Sterile distilled water or boiled cold water.

The firm does not add other active or inactive ingredients. Different or additional ingredients may impact the quality and potency of the product.

Active Ingredient(s)

Alcohol 80% v/v. Isopropyl Alcohol 0.50% v/v Purpose: Antiseptic

Purpose

Antiseptic, Hand Sanitizer

Use

Hand Sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

Warnings

For external use only. Flammable. Keep away from heat or flame

Do not use

- in children less than 2 months of age
- on open skin wounds

When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Place enough product on hands to cover all surfaces. Rub hands together until dry.
- Supervise children under 6 years of age when using this product to avoid swallowing.

Other information

- Store between 15-30C (59-86F)
- Avoid freezing and excessive heat above 40C (104F)

Inactive ingredients

Aloe Vera, Sterile distilled water or boiled cold water

Package Label - Principal Display Panel

The image shows the principal display panel of a hand sanitizer package. The background is light blue with a white circular glow behind the product name. At the top left, a red curved banner contains the text 'KILLS BACTERIA & VIRUSES'. In the top right corner is the Sunbeam Laboratories logo, which consists of a stylized sunburst icon above the text 'SUNBEAM LABORATORIES'. The product name 'HAND SANITIZER' is written in large, bold, blue and white letters with a red outline. Below the product name, a green banner reads '80% Alcohol Antimicrobial'. On the right side, there is a circular 'MADE IN THE USA' seal with an American flag design. At the bottom left, there are two circular icons: one with 'ALOE VERA' and a leaf, and another with 'LABORATORY TESTED' and a leaf. At the bottom center, the text 'Manufactured By: Sunbeam Laboratories' is displayed. At the bottom right, there is a barcode with the number '701575751204' below it. A large '2 oz.' is printed at the bottom center.

Active Ingredient	Purpose
