**GoldKiwi Sun Cream SPF50+ PA+++
[UV blocking functional cosmetic]**

Gold Kiwi Sun Cream blocks UVA and UVB at the same time, keeps your skin moisturized and fresh without feeling sticky. Plus a substance found in gold kiwis restores your skin from inside, which might have become dull and dry from exposure to ultra sunlight.

***A Secret in GoldKiwi fruits :** Do you know that New Zealanders eat goldkiwis without peeling them off not to miss out on their nutritional effects? Skinfood has found a substance in the goldkiwi's skin helps restore your sun-damaged dry and dull skin from deep under.

To Use : -At the end of basic cosmetic care, apply in an adequate amount to body parts sensitive to UV radiation such as face, arms and legs, avoiding the eye area

-Apply about 15 to 20 minutes before going out.

-Reapply as often as possible for a long-term outing or activities.
