Ting Cream for athletes foot

Active Ingredient (Each 100 g contains:)

Undecylenic Acid 3.780 g

TRICLOSAN 0.100 g

Purpose

Undecylenic Acid Antifungal

Triclosan Antibacterial

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Uses

- TING® CREAM kills fungi that cause athlete's foot and effectively eliminates odor-causing bacteria (deodorant).
- TING® CREAM has double action: anti-fungal (fungicide) and bacteria (antiseptic).
- TING® CREAM quickly eliminates sweating, itching, odor, burning and cracking.

Warnings

Do not use in patients allergic to the formula, or near the eyes and/or mucous membranes, do not administer to children under 2 years of age.

Side effects: There may appear slight manifestations of the local irritation.

If symptoms persist consult your physician.

Directions

- Before applying TING ® CREAM wash your feet with soap and water and dry thoroughly.
- Apply TING ® CREAM gently rub it on the affected area in the morning and at bedtime.
- It is very important to pay special attention to spaces between the toes.

Once you have cleared the lesions and symptoms treatment should be continued 15 days.

Inactive ingredient

TITANIUM DIOXIDE, PETROLATUM, WATER
