

NO ZIT SHERLOCK ACNE OIL CONTROL- salicylic acid cream

Bliss World LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active Ingredients

Drug Facts

Active ingredients

Salicylic acid 2.0%

Purposes

Purposes

Acne treatment

Keep Out of Reach of Children

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Uses

Uses

- helps keep skin clear of blackheads
- helps prevent new acne blemishes
- penetrates pores to eliminate most acne pimples

Warnings

Warnings

For external use only

Using other topical acne medication at the same time or immediately following the use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Directions

Directions

- Apply to cleansed skin
- Cover the affected area with a thin layer 1 to 2 times a day
- If bothersome dryness or peeling occurs, reduce use to once a day
- For optimal efficacy, use with No 'Zit' Sherlock acne system
