***Active ingredient***

Miconazol nitrate 2% w/w

***Purpose***

Antifungal

***Uses***

- cures most athlete's foot (tinea pedis), jock itch (tinea cruris), and ringworm (tinea corporis)
- relieves itching, scaling, cracking, burning, redness, soreness, irritation, and discomfort that accompany these conditions
- for the treatment of most superficial skin infections caused by yeast (Candida albicans)
- follow a physician's instructions when treating Candida albicans

***Warnings***

**For external use only.**

**Do not use on**

children under 2 years of age unless directed by a physician

**When using this product**

avoid contact with eyes

**Stop use and ask doctor if**

there is no improvement within 2 weeks for jock itch, or 4 weeks for athlete's foot or ringworm

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

***Directions***

- clean the affected area and dry thoroughly
- apply a thin layer of ointment over affected area twice daily (morning and night) or as directed by a physician

- supervise children in use of this product
- for athlete's foot: pay close attention to spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily
- for athlete's foot and ringworm: use daily for 4 weeks
- for jock itch: use daily for 2 weeks
- if condition persists longer, consult a doctor
- this product is not effective on the scalp or nails

### ***Inactive ingredients***

aloe barbadensis leaf extract, bis-diglyceryl polyacyladipate-2, mineral oil, white petrolatum
