Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Blemish concealer package label

Active Ingredient:

Salicylic Acid 1%

Purpose

Acne Treatment

Use Helps clear acne

Warnings For external use only

Using this product at the same time as other topical acne medications may increase dryness or irritation of the skin. If this occurs only one medication should be used unless directed by a doctor.

When using this product avoid contact with eyes

If contact occurs, flush thoroughly with water

Keep out of reach of Children

If swallowed get medical help or contact Poison Control Center right away.

- Cleanse skin thoroughly before applying
- Cover the affected area with a thin layer 1 to 3 times a day
- Because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily or as directed by doctor
