Package Labeling:60ml

The image shows the front and back of a hand sanitizer bottle. The front panel (left) features a teal top section with a heart logo and the text 'Genuine First Aid'. Below this, the product name 'HAND SANITIZER' is prominently displayed in large black letters, with 'PRO' in a red box to the right. Underneath, the slogan 'Break The Germ Cycle.' is written. A list of benefits includes: 'Wash away bacteria', 'Refreshing texture', 'Protect family health', 'No-wash quick-drying', and 'Kill 99% germs'. An illustration of two hands with a water drop is shown next to the text 'Safety - its in your hands.' At the bottom left, it says 'Net Wt. 2 oz (60ml)' and at the bottom right, 'TOPICAL' in red. The back panel (right) contains regulatory information in a table format. It starts with 'Drug Facts' and lists the active ingredient as 'Ethyl alcohol 70% v/v' with the purpose 'Antiseptic'. It includes sections for 'Uses', 'Warnings' (noting it is flammable and for external use only), 'Do not use' instructions, 'Directions', and 'Other information' (storage temperature). At the bottom of the back panel, it lists 'Inactive ingredients' (Acrylic acid Polymers, Propylene glycol, Trolamine, Purified water), the 'Part No.: GFAP-EM-602', a barcode, and 'Made in China' with the number '6 970529 421669'. Manufacturer details for GFA Production Xiamen Co., Ltd are provided at the very bottom.
