**Senna Laxative**

Keep outer package for complete product information

**Drug Facts**

**Active ingredient \* (in each tablet)**

Sennosides 12 mg

**Purpose**

Laxative

**Uses**

- relieves occasional constipation (irregularity)
- generally produces bowel movement in 6 to 12 hours

**Warnings**

**Do not use**

- longer than one week, unless directed by a doctor
- when abdominal pain, nausea, or vomiting are present

**Ask a doctor before use if you have** noticed a sudden change in bowel habits that persists over a period of 2 weeks.

**Ask a doctor or pharmacist before use if you are** taking any other drug. Take this product 2 or more hours before or after other drugs. Laxatives may affect how other drugs work.

**Stop use and ask a doctor if** you have rectal bleeding or fail to have a bowel movement after use of a laxative. These may be signs of a serious condition.

**If pregnant or breastfeeding,** ask a health professional before use.

**Keep out of reach of children.** In case of overdose, get medical help or contact a Poison Control Center right away.

**Directions**

Take preferably at bedtime or as directed by a doctor.

---

adults and children 12 years of age and over	1 tablet once or twice daily
children 6 to under 12 years of age	1/2 tablet once or twice daily

People over everything.

We think you should feel good about what makes you feel better. That's why we make medicine with the same active ingredients you need, but without the artificial ones you don't. It's what people deserve.
