Première étape indispensable d'un teint haute perfection, la base FOREVER & EVER WEAR améliore l'application et la tenue du fond de teint. Une combinaison de poudres flottantes et matifiantes aide à lisser et velouter instantanément le grain de peau pour une préparation idéale à l'application du maquillage. Enrichie d'un polymère de tenue inédit, sa texture fluide, non grasse, optimise l'adhérence du fond de teint et sa tenue. Au fil des applications, l'ingrédient soin « Poreless Effect » aide à agir sur les problématiques de pores (sécheresse, dilatation, relâchement) pour une peau qui paraît plus belle jour après jour.

The essential first step to a high-perfection complexion, the FOREVER & EVER WEAR makeup base enhances foundation application and improves hold.

A combination of soft-focus and mattifying powders helps immediately smooth the skin's texture, leaving it velvety soft and ideally preparing it for makeup application.

Enriched with a unique holding polymer, its fluid, non-oily texture optimizes the foundation's adherence and staying power.

With each application, the "Poreless Effect" skincare ingredient helps target pore-related problems (dryness, dilation and slackening) for more beautiful-looking skin day after day.
