bareMinerals[®] Blemish Remedy[™] Acne Treatment Gelée Cleanser

Drug Facts

Active ingredient(s)

Salicylic acid 1.0%

Purpose

Acne Treatment

Use

- For the treatment of acne.

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if using another topical acne medication at the same time. If irritation occurs, only use one topical acne treatment at a time

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cover the entire affected area with a thin layer of product and rinse thoroughly one to three times daily
- because excessive drying out of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive ingredients

water (aqua/eau), sorbitol, cocamidopropyl betaine, sodium lauryl glycol carboxylate, glycerin, disodium edta, cinnamomum zeylanicum bark extract, mentha piperita (peppermint) leaf extract, zingiber officinale (ginger) root extract, sea salt, fragrance (parfum), limonene, sodium benzoate, phenoxyethanol.
