At Matrix, we refuse to cut corners when it comes to creating high quality products for you. All of our products are tested extensively and retained for up to 6 months before we put our stamp of approval on it to be used by you and your family. Although these measures come at a cost to us, these steps are critical to our intensive quality control system – and explain why Matrix customers never worry about our quality. Our uncompromising standards are evident in every product that bears the Matrix name.
