CVS Pharmacy

CVS Antifungal Athlete's Foot Cream to Powder

Active ingredient

Tolnaftate 1%

Purpose

Antifungal

Uses

- proven clinically effective in the treatment of athlete's foot (tinea pedis) and ringworm (tinea corporis)
- prevents the recurrences of athlete's foot with daily use
- for effective relief of itching, burning, cracking, redness and scaling

Warnings

For external use only.

Do not use

on children under 2 years of age unless directed by a doctor.

When using this product

avoid contact with eyes.

Stop use and consult a doctor if

- irritation occurs
- there is no improvement in 4 weeks

Keep out of reach of children.

If accidental ingestion occurs, get medical help or contact a Poison Control Center right away.

Directions

Read all warnings and directions. Use only as directed.

- clean the affected area and dry thoroughly
- apply a thin layer of the product over the affected area twice daily (morning and night) or as directed by a doctor
- supervise children in the use of this product

- for athlete's foot: pay special attention to spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily
- for athlete's foot and ringworm, use daily for 4 weeks
- if condition persists longer, consult a doctor
- to prevent athlete's foot: wash the feet thoroughly; apply a thin layer of the product to the feet once or twice daily (morning and/or night)
- this product is not effective on the scalp or nails
