HOMEOPATHIC

WOUND HEALING CREAM

ART™ Wound Cream is an evidence based, concentrated topical skin cream.

ART™ Wound Healing Cream has a revolutionary patented transport technology called Delivra™ that is up to 680% more effective in transporting the medicinal ingredients from the skin to the affected area, making many other therapeutic topicals obsolete. Best of all, it is all-natural with no side effects. Heal wounds and abrasions fast!

DELIVRA™ delivers medicine right where you need it. Deeper than ever before possible.

DELIVRA™, penetrates ingredients deep into skin for maximum effectiveness.

DELIVRA™ is a trademark of Delivra Inc.

ART™ and Active Release Techniques™ are trademarks of Active Release Techniques.
