dermabliss™ FACE & SKIN MEDICATED WIPES

Active Ingredients

Chlorhexidine Gluconate 0.2%
Ketoconazole 0.2%

Antiseptic

Dermabliss™ Face & Skin Wipes are designed for daily hygiene for your pet. They quickly and easily help clean the face, ears, and skin folds; and all over the body. Our lightly medicated wipes are safe to use around the eyes, nose, and mouth to clean, disinfect, and moisturize the skin. They are also designed to clean and disinfect between skin folds to help control bacteria and yeast growth.

The veterinarian formula contains Chlorhexidine, Ketoconazole, and Aloe Vera to cleanse, exfoliate, and deodorize the face, helping your pet look blissful!

DIRECTIONS To start wipes, pull center wipe through opening and secure in cutout. Pull wipes out of canister at 45° angle. Gently wipe affected areas as needed, avoiding contact with the eyes, nose, or mouth. Dispose of wipes and wash hands after use.

FOR BEST RESULTS Use daily as needed. Avoid direct contact with the eyes, nose, or mouth. Use with our full line of Dermabliss supplements and skin care products.

CAUTION For animal use only. If irritation persists or increases, discontinue use and contact your veterinarian. Do not use in or around the eyes, nose, or mouth.

WARNING Keep out of reach of children. Avoid contact with eyes. If product gets into eyes, flush thoroughly with water, and if irritation persists, contact a veterinarian.

STORAGE Store at room temperature. Protect from freezing.

Ingredients: Water, Propylene Glycol, Nonoxynol-12, Glycerin, Polysorbate 20, Lactic Acid, Benzyl Alcohol, Aloe Barbadensis (Aloe Vera) Leaf Juice
