CVS

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredient	Purpose
Benzoyl Peroxide – 4.00%	Acne Treatment

☐**Uses**☐ for treatment of acne

Warnings

For external use only

Do not use if you have very sensitive skin or if you are sensitive to benzoyl peroxide

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- rinse right away with water if it gets in eyes
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occurs, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Keep out of reach of the children

If product is swallowed, get medical help or contact a Poison Control Center right away

Directions

- Wet face
- Apply to hands and work into a lather
- Massage face gently
- Rinse thoroughly and pat dry
- Cleanse twice a day
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and consult a doctor.
