

**INVERNESS EAR PIERCING- benzalkonium chloride**  
**The Richline Group, Inc.**

-----

***Drug Facts***

***Active Ingredient***

Benzalkonium Chloride 0.12% w/w

***Purpose***

Ear Care Antiseptic

***Use***

for care of your pierced ears

***Warnings***

- For external use only. Do not ingest. If swallowed, get medical help or contact Poison Control Center immediately.
- In case of contact with eyes, flush with water.

**Keep out of reach of children.**

**Stop use and ask a doctor**

if you experience pain, redness, or swelling.

***Directions***

For optimal results, follow these steps everyday.

- Clean hands thoroughly with antibacterial soap before touching ears and studs.
- Using cotton swabs, cleanse front and back of ears 3 times a day with Ear Care Antiseptic. Gently rotate the studs 2 or 3 times a day. DO NOT remove earrings.
- Keep hair, hair spray, shampoo, soap, cosmetics, perfume, etc. away from newly pierced ears. After shampooing, exercising, swimming, hot tubs, or use of any of the above products, rinse your ears in clear water and reapply Ear Care Antiseptic

***Inactive Ingredients***

Purified Water
