

**NUFABRX KNEE SLEEVE- capsaicin cloth**  
**Nufabrx LLC**

-----  
**Nufabrx Knee Sleeve**

**Active ingredient**

Capsaicin (Nonivamide) 0.18%

**Purpose**

Topical Analgesic

**Uses**

For the temporary relief of minor aches and pains of muscles and joints associated with: simple backache, arthritis, strains, bruises and sprains.

**Warnings**

For external use only

**Do not use**

- If you are allergic to any ingredients of this product or chili peppers, contact a doctor before use (allergy alert)
- On wounds or damaged skin
- With, or at the same time as, other external analgesic products
- With a heating pad

**When using this product**

- You may experience a burning sensation which is normal and related to the way the product works (with regular use, this sensation generally diminishes)
- Do not use immediately before or after activities such as swimming, showering, sunbathing or intense exercise
- Use only as directed
- Avoid contact with eyes and mucous membranes or rashes

**Stop use and ask doctor if**

- Condition worsens, symptoms persist more than 7 days or clear up and occur again within a few days
- Rash, itching or excessive skin irritation develops

**If pregnant or breast feeding**

Consult a healthcare professional before use

**Keep out of reach of children**

If swallowed, get medical help or contact a Poison Control Center right away

### **Directions**

- Clean and dry affected area
- Remove sleeve from packaging and place on knee
- Maximum use of 10 hours per day
- Wash separately from other clothing
- Do not wear more than 6 days straight without doctor consent

### **Other information**

Avoid storing product in direct sunlight. Protect product from excessive moisture.

### **Inactive ingredients**

Acrylate copolymer
